I'm a college student eager to start a career in software development. I'm excited to apply what I've learned in my studies and use my teamwork skills to contribute positively to a dynamic team. I'm committed to personal growth and making a meaningful impact on the organization. I aim to bring creativity and innovation to everything I do.

EDUCATION

B.Tech in Computer Science and Engineering, GITAM University, Hyderabad	8.4 CGPA	2021- 2025 (pursuing)
XII, Narayana Junior College, Hyderabad	96.8%	2019-2021
X(SSC), New Vision High School, Khammam	9.7 CGPA	2018-2019

TECHNICAL SKILLS

Proficient With:	Java, SQL, HTML, CSS, JavaScript
Familiar With:	Python, ReactJS, MongoDB, MySQL, C

SOFT SKILLS

Adaptability, Team Collaboration, Time Management, Creativity

WORK EXPERIENCE

Web Development Intern

Motion Cut – Remote | [10/2023 to 11/2023]

- Successfully **developed** and launched a fully functional website during the internship.

JavaScript with ReactJS Intern

EI Systems – Remote | [05/2024 to 07/2024]

- **Worked** on dynamic ReactJS projects, acquiring hands-on coding experience and improving project functionality.
- **Worked** on various projects, implementing innovative solutions to enhance efficiency and performance.

Swecha Summer of AI Intern

Swecha AI – Remote | [05/2024 to 06/2024]

- **Learned** about AI frameworks like TensorFlow and PyTorch, as well as Automatic Speech Recognition technologies.
- **Contributed** data for the development of a Telugu language model.

PROJECTS

Movie Recommendation System Using Deep Learning

- Developed a movie recommendation system using deep learning techniques for personalized suggestions.
- This is a group project and is ongoing

Technologies Used: Python, Deep Learning Algorithms.

Functional Gym E-commerce Website

- Developed an e-commerce website for Functional Gym, featuring product listings, availability checks, and staff contact options using HTML, CSS, and JavaScript.
- Designed a responsive and user-friendly interface, including a consistent navigation bar and footer, ensuring a seamless device experience.

Technologies Used: HTML, CSS, JavaScript

CERTIFICATES

- Swecha Summer of AI – Swecha Foundation

INTERESTS

- Listening to Music
- Playing Badminton and Volleyball
